

Bible Missionary Baptist Church

11360 Old Concord Road
Rockwell, North Carolina 28138
Pastor Buddy Hoffner

I, Buddy Hoffner, Pastor of Bible Missionary Baptist Church am in the process of starting a new ministry. This ministry will be called "The Refuge Transitional House". The house will be located at 140 Happy Lake Road, in Rowan County. The house will have 4 bedrooms, 4 bathrooms, kitchen, dinning room and an activity room.

The Refuge Transitional House will provide a place for adult men and women who have been in custody by the state for many years and are being released, and have no where to go. Instead of living on the street, sleeping in abandoned houses and eating out of dumpsters, The Refuge Transitional House will provide a place to live and a staff to prepare meals for them. The Transitional House will also be available for other people in our community who are in need of a place to stay while they may be going through a difficult life changing event .

The Refuge Transitional House will have a full time staff, a husband and wife team living there 24 hours a day. The staff will be there to help and assist the men and women thru this difficult time in their life. The Refuge Transitional House is not a rehabilitation facility nor a half way house. The funding for The Refuge Transitional House will be provided by Bible Missionary Baptist Church, donations for people in our community and other churches who wish to be a part of this great ministry. The Refuge Transitional House will be supervised, controlled and governed by Bible Missionary Baptist Church.

Thank you for you consideration. For more information please call Pastor Buddy Hoffner 704-431-3298, or Grey Savage 980-621-9140
